DODBALLAPUR SUB-DIVISION.

Notification dated 3rd May 1950.

No. F. C. P. R. 13—49-50. Notice is hereby given that sealed tenders will be received at the office of the Sub-Division Officer, Dodballapur Sub-Division Bangalore, up to 4 P.M. on the 25th May 1950, for the disposal of unserviceable gunnies and condemned gunnies available at the undermentioned taluke of this Sub-Division on the following conditions :—

	Taluk	No. of gunnies. Unserviceable gunnies i.e., fit for charcoal bagging.	Condemned gunnies.
1	Hoskote	1,750	2,350
2	Dodballapur	5,100	1,200
3	Anekal	202	148
4	Devanahalli	4,259	2,797
5	Nelamangala	...	1,500

1. Each tenderer should credit to "R.D." a sum of Rs. 200 in the District Treasury, Bangalore, as an earnest money which will be refunded after tenders are finally disposed of. Only the certified chellans should be enclosed to the tender application.

2. The rates quoted should be per one hundred gunnies.

(*a*) Rate per one hundred unserviceable gunnies *i.e.*, gunnies which are not fit for packing foodgrains but which may be used for bagging charcoal etc.

(*b*) Condemned and absolutely useless gunnies (per hundred).

3. Gunnies will be delivered at the Taluk Head-quarter Depots, where they are stocked. The successful tenderer should make immediate arrangement to remove the stock from the depots.

4. If the applicant whose tender is accepted refuses to take delivery of the gunnies, on any plea the earnest money will be forfeited to Government, and any loss that Government may incur in calling for fresh tenders for a second time will be recovered from the defaulting tenderer.

5. The final authority for accepting or rejecting the tenderer is the Director of Food Supplies in Mysore.

6. The successful tenderer soon after the intimation of the acceptance of the tender shall credit to the District Treasury Bangalore, the entire amount including the deposit already made together with sale-tax at 3 pies in the rupee. In default, the deposit will be forfeited and the right will be resold or disposed of otherwise at the risk of the defaulting tenderer and he will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

1164 M. ABDUL KAREEM, *S.D.O.*

Sl. No.	Name of meterial	Quantity
1	Time Switches suitable for 250 volts circuits, 25 amps. current carrying capacity, hand wound.	Nos. Twelve
2	Time Switches suitable for 250 volts, 50 amps. current carrying capacity, hand wound. (It is preferable if these Time Switches are suitable for being wound once in a fortnight. They are to be of best make and should be guaranteed for satisfactory operation when in service. Tenders should furnish necessary detailed description leaflets describing the working of these Time Switches together with drawings, if any).	Do

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for supply of Time Switches etc., to be opened on 5th June 1950.
